

University of California QPLE - Heacache AUC 2019-06-27

Appropriate - preferred (4)
 Appropriate (3)
 Not part of this AUC (2)
 Inappropriate (1)
 No AUC applicable (0)

The Headache AUC meets the CMS CY 2017 PFS Final Rule for coverage of Priority Clinical Areas (PCA) by Qualified CDSMs to "reasonably address common and important clinical scenarios."

Notes:
 1 Imaging should be based on presenting finding, not the presence of headache
 2 Trigeminal neuralgia protocol
 3 MR would not be 1st line; only if abn seen on CT

***AUC Evidence Grading**
 The Oxford Centre for Evidence Based Medicine is used for assigning AUC grades. The grades are based on the level of evidence of the references according to the following:
 Grade A = Level 1
 Grade B = Level 2
 Grade C = Level 3 or less
